

The Oklahoma Land Rush Is On Again!

Do the Cumberland/Aylesworth trends continue to the southeast past Lake Texoma? Find out with JEBCO's new Bryan County 3D seismic survey, the newest data in Oklahoma.

We select from an extensive range of seismic alternatives based on demonstrated results for each specific geologic or technical problem. The result — more robust surveys, better processing, faster turnaround. Call on JEBCO for non-exclusive surveys worldwide, and let us help you stake your claim in the next Oklahoma Land Rush!
